Dear Parents, Children and Youth,

Greetings, we hope you have enjoyed your summer! We wanted to remind you that it is time to register for this season's Sunday school program. We are looking forward to activities to enable us all to grow and learn together. *Join us on Rally Sunday, September 11th*, to receive a blessing just for you, to learn more about our activities. Of course, we look forward to welcoming you again after a long summer at any time your family is able to join us!

Yours in Christ,

	The Board	of	Christian	Education
